I/We have shown these responses to my/our child. Yes No

1. Please describe one or two events that have been turning points in your child's development, and please explain why you perceive the event(s) this way.
2. Has your child's high school experience so far been pleasant or difficult or both? Please explain.
3. What is your child's greatest strength? Please explain why you think so.
4. What is your child's greatest weakness? Please explain why you think so.

5. What makes you particularly proud of your child? Please explain. Anecdotes are especially helpful.

6. If there are any colleges or universities which you would like your child to consider, please list them here and briefly explain. If there are not, feel free to leave this space blank.

7. Does your child have a documented learning disability or IEP documentation within the past three years that has prompted special in-class or standardized testing accommodations? No Yes

If yes, please briefly describe the disability and the accommodations. Also, if you would like those accommodations met once your child is in college, or if you would like any new accommodations made then, please describe here.

8. Is there anything in particular you think would help the School in communicating with colleges about your child? (i.e. family educational background, special situation in the family, medical history, personal achievements inside or outside the School, etc.)

9. How will financial aid affect your child's choice of college or university?

10. Are there any other family-related matters that may affect your child's decision?

11. Is there something the School's college office needs to know about your child, which has not been prompted in this questionnaire?
